We would to thank our latest supporters of the Central Pennsylvania Greensheet.

Please remember- space is limited- first come, first served.

As of 1990 we will also be raising our job refferal dues to \$100.00

"Untapped Resources"

How many times have you wondered how to do a particular job and were not sure how to start, or where to find specific information?

All of us in the GOLF COURSE BUSINESS have, at one time or another, been faced with this dilemma. Where can we obtain proper information?

CENTRAL PENNSYLVANIA TURF ASSOCIATION is the answer.

Untapped sources of information are not locked behind vault doors or stored in computer banks. They are often available from the Superintendent down the road, or in the next township, who are probably all members of the local turfgrass association.

We, the members of CENTRAL PENNSYLVANIA ASSOCIATION, are fortunate to have informed and knowledgable members, who are more than willing to share their experiences with one and all.

Your presence at your meetings will enable you to obtain this information.

As a board member of the CENTRAL PENNSYLVANIA ASSOCIATION, my goal is to help in any way possible, not only as a fellow superintendant, but as one that can help meet the needs of the association.

Serving as Social and Public Relations Committee Chairman, I am venturing into unknown territory. Any help you may have to offer would be greatly appreciated.

Sincerely,
Tony Goodley, CGCS
