To Our Past Presidents

As a member of the CPGCSA I am greatly in your debt for the time you took from your schedules to share your ideas with us at our recent board meeting.

The board and I recognize your effort, and the responsibility you have bestowed on us. We will do our best to plan, and set goals for the future success of our association.

I hope to see you at our meetings this year so you can share your experiences with all of our membership. You are a great resource, and we would all benefit from your wisdom and leadership.

Thank you.

From the Editor.....

I look forward to serving the CPGCSA this year as Newsletter Editor. Mark DelSantro will be a tough act to follow as I am sure you all enjoyed his "Heather and Gorse" articles. I just wish he would have said a little more of what was on his mind. Well.....maybe not! He has informed me that he may provide us some more of those great articles. We're all looking forward to it Mark!

I'd like to inform all of you that if you have something you would like to contribute to a particular monthly newsletter, please do! We need your insight. It may be a tip, or just something you feel like writing about. Please let me know.

I look forward to seeing you all at the Winter Educational Meeting.
