President's Message

Greetings to All:

The 4th Annual Central Penn Night was a wonderful evening. The event was well attended as Greg Borzok received his deserving awards for being honored as the David Rafferty Dedication, Service and Leadership award winner. The super tandem of Jim MacLaren and Pete Ramsey gave a "ham and egg" performance as they co-emceed the evening.

Many thanks go out to those who organized and prepared this event. It was a great opportunity to meet Greg's family and friends; hear stories about his past travels and accomplishments; and to learn more about him as a person. Who knew he went both ways??? But you had to be there to know the real meaning behind this statement. So for Greg's sake, don't jump to any conclusions! And so you're not left out in the dark, attend future Central Penn Nights. It is truly a very enjoyable time.

There are a few Central Penn items of business that needs our attention. First, if you haven't given Wanda your e-mail address, please do so as soon as possible. We would like to communicate as much as possible via e-mail. It saves the Association money and saves on you having a pile of paper lying around. Also, it saves a tree...and we are environmental stewards. Second, you will be getting surveys to fill out. We are looking for 100% participation! Our past has shown very little response and doesn't reflect accurate data. It is an invaluable tool for fellow Superintendents to use when negotiating contracts. So please fill them out and return them.

Our winter, or so called winter, will be winding down shortly and we will be going out onto the course and doing all that fun stuff soon. So enjoy the last few weeks of non-pressure life and r-e-l-a-x! See ya at the next C.P.G.C.S.A. meeting.
